COMPANY OVERVIEW

G.E.E. Solutions is a veteran-led federal contractor that delivers secure IT infrastructure, cybersecurity and global supply chain management to Department of Defense, Intelligence Community, federal civilian and Florida state and local customers, and to the prime contractors that support them. Founded in 2026 and headquartered in West Palm Beach, Florida, we bring the rigor and compliance discipline of DoD and the Intelligence Community to every program.

CORE COMPETENCIES

- **IT Infrastructure Design, Deployment & Sustainment:** network and server architecture, cloud and hybrid hosting, identity and access management, data-center and endpoint refresh, lifecycle management, help desk. Built to NIST standards and the DoD RMF.
- **Cybersecurity Operations, Architecture & Engineering:** NIST SP 800-171 gap assessments, SSPs and POA&Ms, control implementation, continuous monitoring, vulnerability management, incident-response planning; CUI protection and CMMC readiness.
- **Global Supply Chain & Logistics Management:** demand planning, procurement support, inventory and fixed-asset readiness, transportation coordination, vendor management, performance reporting.
- **Program & Financial Control and Workforce Development:** cost forecasting, risk tracking, contract performance reporting; recruiting and developing cleared, mission-ready talent.

LEADERSHIP EXPERIENCE

U.S. Navy AUTC	Project control, deputy PM and senior financial analysis on a \$462M program; \$36M+ in contract performance across 163 projects.
Defense Intelligence Agency	Senior Operations Officer; managed 50+ concurrent intelligence-production projects.
U.S. Army HQ G-1	Senior Enlisted Advisor; helped create the 42T and 420T talent-acquisition career fields.
U.S. Army	Command Sergeant Major, 450+ people, \$21M budget; fixed-asset readiness across six units, 15% service-level gain.

Prior roles of our leadership team, not G.E.E. Solutions contracts.

DIFFERENTIATORS

- **Insiders to federal work:** leaders from DoD, the Intelligence Community, the Army and a \$462M Navy program who know how federal customers buy, audit and measure performance.
- **Compliance built in:** practices aligned with NIST SP 800-171 and CMMC readiness from day one.
- **Veteran-led, people-first:** senior talent-strategy experience to recruit and field cleared, mission-ready people.
